DEDICATION

Mrs. Mary Truscott makes Lopez run like clockwork. Having attended Father Lopez, Mrs. Truscott followed up her high school career by being employed as school secretary. Sister Rose Ellen commented Mary Truscott is "efficiency personified." Talk to any of the teachers and they will tell you that the office doesn't run well without her. She has a way about her that inspires. Mrs. Truscott celebrated her 20 year employment mark in January of this year. The school owes her our respect and honor. Thanks to her dedication, we the Veritas staff dedicate our book to Mrs. Mary Truscott.

Father Hogan was born in Shanon, Ireland and attended St. Flannans and St. Patricks Colleges. He is still going to Providence College and working on a degree. Fr. Hogan is Father Lopez's school pastor. He has been a part of the staff for three years and teaches sophomore and junior Theology classes. Fr. Hogan also helps out with Cor and retreats, and organizes the masses held on campus. Outside of school activities, Fr. Hogan enjoys traveling, archeology and handball.

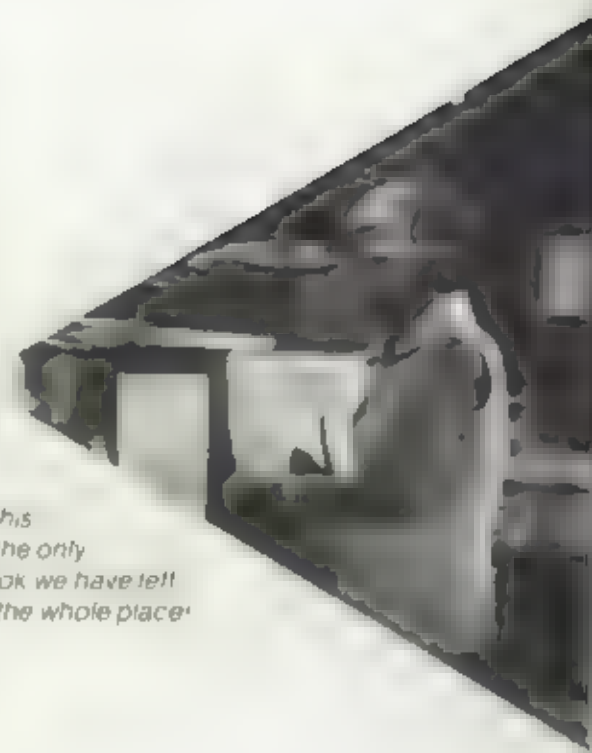

Mr. Bill McCabe was born in Jaffery, New Hampshire. He attended the University of Tampa and Bethune Cookman. As Father Lopez's first official Dean of Students, Mr. McCabe has done a great job in keeping the student body under control. He teaches health and coaches varsity football, weightlifting and track. He also sponsors S.G.A., Interact, and the skateboard club. Mr. McCabe still finds time to enjoy his hobbies and favorite pastimes which include water sports and working at the Safari Motel. When asked what he likes most about Father Lopez, he replied, "Everything I think it's great!"

Mrs. Helen Jerabek has been librarian at Father Lopez for seven years. She was born in Yonkers, New York and moved here from Bartow, Florida in 1971. She has two children. Mrs. Jerabek is a quiet person who does a good job of keeping 'her' library in order. Outside of Father Lopez activities Mrs. Jerabek loves to read, ride bikes, and go fishing.

This is the only book we have left in the whole place!

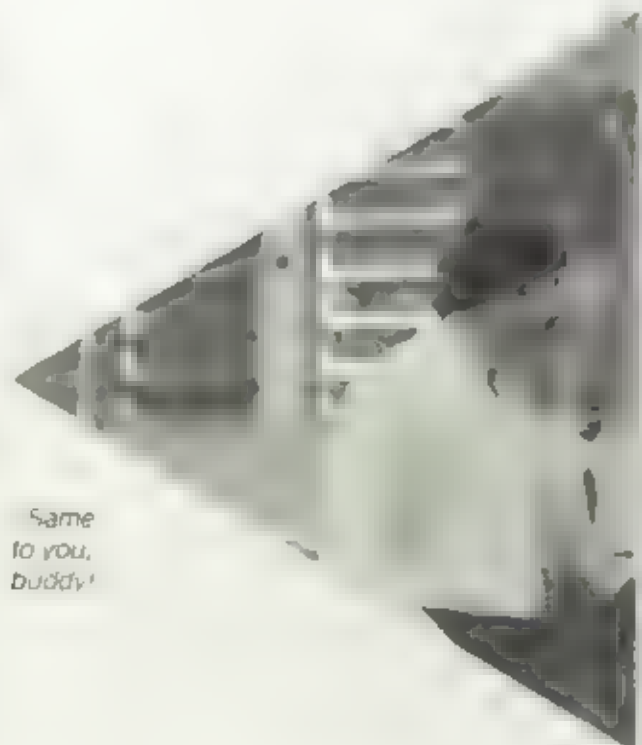

Why must I be reading the same thing over and over again?

Sister Miriam, of the Dominican Order, is a graduate of Fordham University in New York. She has spent four years at Lopez as secretary of the guidance office, record keeping, and library aid. Sister Miriam's favorite pastimes include knitting, cooking, and taking long walks on the beach. She also loves to travel. Sister Miriam admires Father Lopez's great enthusiasm for sports, and the enjoyable atmosphere it creates.

In charge of guidance at Father Lopez is Chuck Mojock. Born in Pennsylvania, he is a graduate of Stetson with a Masters Degree in counseling. Mr. Mojock coaches, for the first time, J.V. basketball. Also for the first time he is the sponsor of N.H.S. To relax Mr. Mojock plays basketball and tennis. He also likes to dance with Mrs. Mojock at the local disco. Canoeing and reading science fiction are some pastimes of theirs, but their favorite thing to do is to be spontaneous and not make plans. Mr. Mojock's most memorable moments were meeting his wife at a party, and carrying a V.W. into the gym for a college pep rally.

Same to you, buddy!

Superintendent of Grounds, Roosevelt Wilmore has seen the many changes of Lopez over a period of twenty years. He has been at Lopez longer than any other staff member. He enjoys most sports, especially football, baseball, and basketball. "Rosie" likes Lopez because of the nice people he has met throughout the years. For him every day is a memorable experience when dealing with high school students.

Mrs. Mary Truscott was born in Bloomington, Illinois. She has put in twenty faithful years at Father Lopez. Mrs. Truscott graduated from St. Paul's and went on to be Father Lopez's secretary. She was then married in 1971. Mrs. Truscott's hobbies include fishing, reading and crewel, but her favorite 'hobby' is Shanon Tramont. The one thing she likes best at Father Lopez is "... the kids."

Mrs. Evelyn Champange, Father Lopez's bookkeeper, has been a part of the staff for four years. The work she does is very demanding and the only problem she's ever had was mixing up the accounts. All in all, Mrs. Champange does a great deal to keep Father Lopez functioning financially. When asked what she liked most about Father Lopez, she said, "Mrs. Truscott." Outside of school Mrs. Champange is busy taking care of her husband and two boys. When she has spare time, she enjoys knitting and needlepoint, which are among her most enjoyable hobbies.

Mrs. Raisa Leorza was born in Cuba where she attended the University of Havana. She is the Father Lopez Spanish teacher and has been at Father Lopez for fourteen years. Mrs. Leorza enjoys classical music, ballet, sewing and traveling. She enjoys Father Lopez because it is a small school where people can get to know each other, and this reminds her of the high school she attended in Cuba. Mrs. Leorza's most memorable moment at Father Lopez was cheerleading at a faculty game.

"Did I ever tell you about Kennedy?"

She teaches freshman and sophomore English classes and coaches the girls' volleyball team and intramural volleyball. Some of her hobbies include horseback riding, swimming, playing bridge and watching soap operas. Everyone is like one big family."

"Shouldn't you be in class?"

Sr. Gail has taught at Lopez for four years now. She teaches Theology, World Culture, and Social Studies 12. She is the J.V. cheerleaders' sponsor and tries very hard to get people to sing at masses. Sr. Gail loves teaching at Lopez because she gets to know everyone. She said that one-to-one relationships are formed and that adds a personal touch. She also said the teacher-student relationships are good and can grow easily in this environment. Her hobbies include cooking, sewing, going to the beach, and running.

"Have you seen the new fall habits?"

No I'm not sponsoring intramural Sky Diving

Sister MaryAnn of the Dominican Order is actively involved in many Father Lopez activities. She teaches freshman and sophomore Theology and World Culture classes. The service club, brain bowl and freshman cheerleaders are all sponsored by her. Sister MaryAnn enjoys the sunshine at the beach and in her free time can be found beachcombing, jogging, and reading. She says she likes Father Lopez because of its smallness and the involvement of everyone in the activities.

Not another one of Mike Simmons jokes

Mrs. Cathy Boyle, a native of Daytona Beach, is enjoying her third year at Lopez. She teaches English 10, Creative Writing, and Journalism. Mrs. Boyle runs the lunch line to provide refreshments to the students. Other school activities include being a swinging golf coach and one of the junior class sponsors. She feels Lopez is a special school because it's small, friendly, and people support one another. Mrs. Boyle feels she has learned a great deal about the complexities of the business world while at Lopez. She has had a great deal of experience through the yearbook and newspaper publishings. Mrs. Boyle provides us all with our memories.

Mrs. Kathy Klager was born in Memphis, Tennessee, and grew up in Cincinnati, Ohio. She has taught Biology at Father Lopez for three years and has coached the swim team for past two years. Mrs. Klager claims that she loves to have fun and does so by working on her hobbies. Her hobbies include basket weaving, macrame and devoting her time to her husband and two children.

I'm in the middle of grading 100 test papers and you want to know what?!

Born in Deland, Florida, Mr. Jeff Snyder teaches Theology and Psychology courses at Lopez and is the Athletic Director for the Lopez Greenwave. He went to St. Mary's College and earned his Theology and Psychology degree. Between teaching and coaching the girls' varsity basketball team, he finds time for his hobbies, art and music. Mr. Snyder loves boiled shrimp. He will always be remembered for his entertainment as Big Bird.

Not pyramids again!!

Mr. Ray Zemaitis, a native of Wister, Massachusetts, has Chemistry, Physics, and Earth Science responsibilities at Lopez. He attended Worcester State College getting his Masters Degree and got his B.S. degree from Boston State College. I know they're after me!

Mr. Bobby Pittman, one of the youngest teachers on the Lopez staff, has been closely involved with the students. Mr. Pittman is the father of two boys, B.J. and Adam. Mr. Pittman teaches one Health class and four P.E. Classes. He is busy most of the day but still always has a joke to tell. Coach of Varsity Football and track, he is well liked by all.

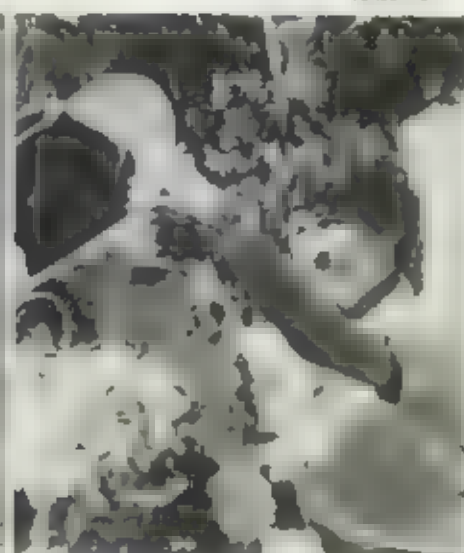

What do you mean the managers are in the huddle?

Mrs. Irene Rynecki was born in New Britain, Connecticut. She attended Central Connecticut State University and majored in French. After coming to Father Lopez in the middle of last year, Mrs. Rynecki returned again as a part time teacher of French. Besides teaching and sponsoring the French Club, she is also working on a Masters in Art Education which she hopes to finish by the end of the summer. Outside of Father Lopez activities Mrs. Rynecki enjoys painting, music, and tennis. Since she has been here Mrs. Rynecki has found that she enjoys most of all the overall relaxed atmosphere and the fact that it is small.

"Hi! I'm your typical everyday French teacher"

Mrs. Sharon Belcher teaches junior and senior English classes at Father Lopez. She majored in grammar and is now working on her Masters Degree in counseling. She loves to travel and has visited England, Spain, and Germany. Her hobbies include macrame, sewing, and playing tennis. Mrs. Belcher moved to Florida ten years ago from Missouri. "They want me to resign already"

Mrs. Ruthanne Wentz was born in Waton, Massachusetts, where she attended Bridgewater State College of Massachusetts and received her B.S. degree. You want to fight about it?

Mr. Robert Dey was born in Atlanta, Georgia and grew up in Jacksonville Florida. He attended and graduated Stetson University. Before coming to Father Lopez, Mr. Dey worked as a coach and counselor at the Ormond Beach Recreation Department. He is still continuing this job in the summer months. Mr. Dey helped coach J V football and many other Father Lopez sports and activities. He also started a math club which got off to a good start in its first year. The main reason Mr. Dey came to Father Lopez is because he's familiar with the area and likes the Lopez reputation.

Oh, go on!

Mrs. Carol Smith was born in Chicago, Illinois, and is presently living in Daytona Beach with her family of eight. She taught at Osceola Elementary for two years before coming to Father Lopez. Mrs. Smith is the cooking and sewing teacher. For enjoyment, she is an avid sports fan, especially where football is concerned. But 1 + 1 has to equal 3!

CLUBS

SCHOOL BOARD

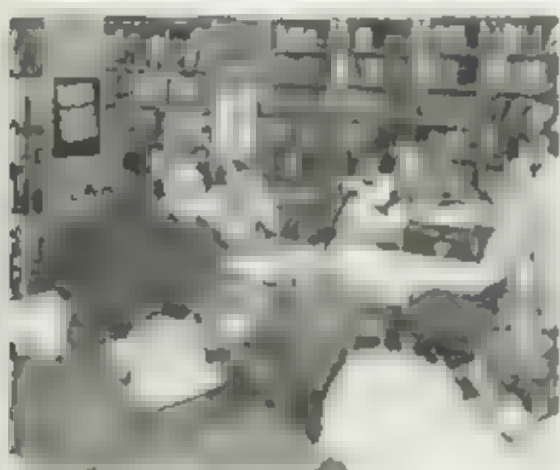

The School Board members are elected and run three year terms. Their major job is to set up the policies and procedures to run the school and to make sure these are carried out by the administration. This year they had many major fund raising drives for the expansion of the library.

BOOSTER CLUB

To support the spirit and enthusiasm of all sports at Lopez, the Booster Club continues to prove its noted status. Under the direction of President Len Connor, Vice President Dick Dyewski, Treasurer Ed Kertis and Secretary the club provided funds from the year's activities for the purchase of sporting equipment. All in all the Boosters further the abilities of participants in Lopez sports.

PARENTS' ASSOCIATION

Offering parents a way to get involved with school activities, the Parents' Association invites all to contribute their suggestions and ideas through this organization. Some of the programs prepared and sponsored by the P.A. were an orientation evening for the parents, a faculty dinner, Koffee Katches, the Lopez fair and the underclassmen and senior awards nights. With enthusiastic officers Jerry and Pat Berndt, co-presidents Judy Cook, Betty Nowviskie, Betty Loucks and Betty Bookmyer, the group helped to run Lopez a little more smoothly.

STUDENT GOVERNMENT ASSOCIATION

Under the leadership of President Greg Smith and Sponsor Mr. Bill McCabe the '78-'79 Student Council had a successful year. Bringing unity between the administration, community and student body, they helped work out problems that arose concerning Lopez to insure students' interest and participation in their school. Traditional projects such as Homecoming, the Magazine Drive, writing up the school calendar, Mini Course Day and Fun Day are a few of the many functions that the S.G.A. does for Father Lopez. S.G.A. may be the busiest organization at Lopez, but it is also the club that can always be counted on to get things done.

Members are President Greg Smith, Vice President Wes Dunn, Secretary Lisa Gaines, Treasurer Teresa Lefils, Maggie Lloyd, Brian Carter, Mike Peterson, Treasurer Andrew King, Mike Karp, Mar, Crick, Leslie, Lisa Nowvickie, Cindy Lenz, Mary Cerio, Nancy Lopez, Pam McMenamy, and Pat Kelly.

MANAGERS

Basketball — Mary Kelly

The true backbone of all sports is the managers. Managers must clean up after the players and prepare uniforms. They also take a lot of abuse from coaches and players while much of their effort is overlooked. But their voluntary help is needed greatly and these very dedicated individuals should be greatly appreciated.

Mrs. Boyle, the sponsor, led her staff through lunch lines and the hectic work of putting together a yearbook. Bev Goergen, the editor-in-chief, gave up many afternoons and suffered through sleepless nights trying to make deadlines. There are various editors that made it a point to keep everyone more than busy. The yearbook is a very personal memory and a special touch made it all possible.

BE PREPARED... to enjoy yourself outdoors

There are eight essentials to survival in open country

1. **Water** You need three quarts a day. Plan your trip to provide daily replenishment and take a water purifier along.
2. **Food** Dehydrated rations provide nutritious, satisfying meals with a minimum of bulk weight. Plan at least two hot meals per day.
3. **Heat** Learn and practice how to build and start an outdoor fire. And remember, several small fires provide more heat than one large one.
4. **Shelter** Find out how to build a snow cave, lean-to shelter and log hut, even though you plan to carry your own tent.
5. **Medical equipment** Always pack a complete first aid kit tailored to fit your own experience and size of your party.
6. **Clothing** Travel light, of course — but not at the expense of sacrificing adequate and proper protective clothing.
7. **Insurance** Do your homework by planning your trip — step by step — in advance. And always leave a route map and estimated time of return with a responsible party.
8. **Positive mental attitude** Don't panic. Stay put after dark. And you can be quite certain, if you have provided for the first seven essentials above, you will survive most emergencies.

SURF'S UP

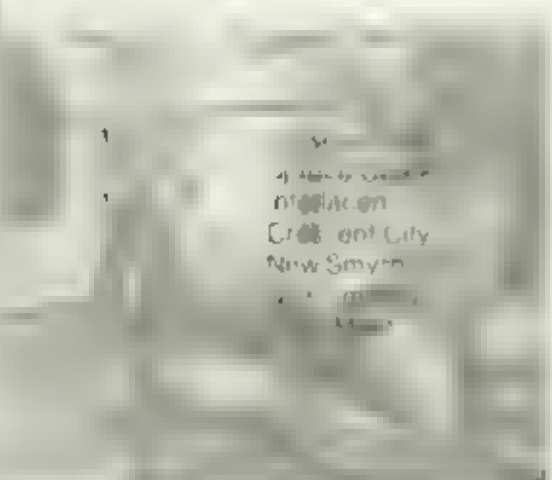

When the waves are hot the absen-
tees at Lopez are many. Several of the
young men that go to Lopez take part
in one of the most fun and healthy
pastimes known to man. "Surfing!"
Getting barreled on a six foot wave is
one of the ultimate rushes of surfing.
The spray in your face and the speed-
ing water at your feet are experiences
that only a surfer knows.

WEIGHTLIFTING

The newest addition to the Lopez sports scene was the mighty Weightlifting team. Coach Bill McCabe was the strongmen's coach and spiritual leader. Several meets were planned for the three month season with the 2A State meet being held March 10 at Hawthorne High School. The Lopez Lifters enjoyed a very successful year and had loads of fun.

HEALTH CAREERS

The Health Careers Club, under the sponsorship of Mrs. Kathy Klayer attempts to promote an understanding of the field of health careers and any other health related opportunities. The club took tours of different hospitals to explore the field of medicine first hand. Members of this club hope to someday fulfill the promising roles medicine has to offer.

Sponsor Mrs. Klayer and Officers — Ed Kertis and Suzy Storch

BRAIN BOWL

The Brain Bowl team compares its intelligence against teams from other schools. The team is very young and is in only its second year. The questions asked of us range from "What is the annual rainfall in Naroki?", to "Who is the Yankees leading hitter?" The team is hopeful for a winning season. They are sponsored by Sr. Mary Ann.

Every Wednesday and Thursday dedicated students visited area nursing homes. Once a month, under the leadership of Sr. Mary Ann, they ventured out to DeLand to visit the Duval Home. Around the school, students could be seen scavenging around to collect cans to raise money. This money is needed to buy presents for the nursing home patients during the holidays. Many students enjoyed visiting the older people because they had a feeling of accomplishment and sensitivity.

CHESS CLUB

The Chess Club is comprised of students whose mutual enjoyment and respect of the game of Chess has brought them together. Pawns moved to kings and queens as the members of the Chess Club perfected their mastery of the game. Club Sponsor, Mr. Jim Gardinier, gives much wise assistance when the club meets in the library. Following professional guidelines, the club finished their games with victorious "checkmates."

The crowning of the King

Homecoming for the 1978-79 was centered around the Old West. The week was filled with activities along with the traditional float building. The crowning of this year's court began the week. The Homecoming Court consisted of Pat Kelly and Monica Bendezu as freshman court winners, John Lloyd and Melissa Smith were the sophomore court. Junior court members were Jim Gildea and Leslie Krawczynski. The senior court members were Phil Maroney, Mica Smarse, Kevin Amara and Mo McGrane. The King and Queen of 1978 Homecoming were Dennis Culver and Mary Pat Kelly.

Homecoming activities filled the week with the enthusiasm and spirit necessary for building up the atmosphere. The Whopper eating contest took place on Oct. 24, giving students a chance to show that their big mouths were good for something after all. Emceed by Mr. Pittman, the Gong Show was another event. The show consisted of the traditional dry-humored acts that Lopez students have all come to know. Lopez was treated to another activity when the Grand Staff singers visited and displayed their talents.

Homecoming '78 was certainly a time to be busy. Clubs and classes found time to creatively decorate cars and floats in accordance with the theme "Western". The Homecoming parade was a successful festive activity. The BCC band overwhelmed Father Lopez students and bystanders as the parade marched on. Float-building took place at the Armory. Of course, as tradition allows, last minute touch-ups and float finishing took place Thursday and Friday. Each float was a display of hard work and originality. The Freshman-Senior float headed by Greg Smith was well constructed, but the winning float was the Sophomore-Junior float construction headed by Wes Dunn.

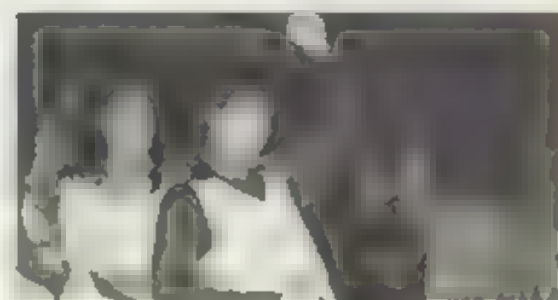

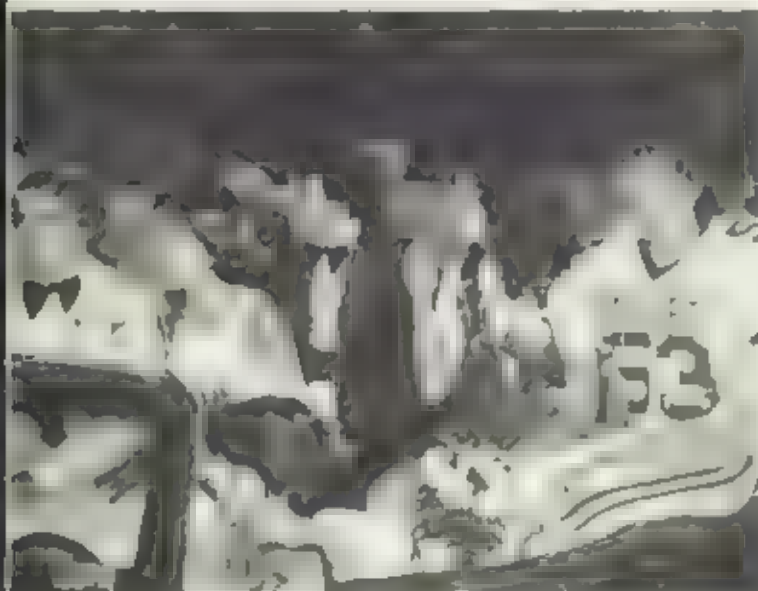

The Greenwave football team whopped on the Flagler Bulldogs with an impressive score of 31-13. The game was one of excitement and fun as the homecoming game proved to be a victorious one.

Homecoming dance, the highlight of the week, was held at the newly built Sica Hall. The band Fusion, was excellent. The unbelievable turnout added to the fun and success of the evening.

The first part of the paper is devoted to the study of the properties of the function $f(x)$ defined by the equation $f(x) = \sum_{n=0}^{\infty} \frac{f_n(x)}{n!}$, where $f_n(x)$ is a function of the n -th order of the Taylor series of $f(x)$ at the point x . It is shown that the function $f(x)$ is analytic in the domain $|x| < 1$ and that it satisfies the functional equation $f(x) = f(1-x)$. The second part of the paper is devoted to the study of the properties of the function $f(x)$ defined by the equation $f(x) = \sum_{n=0}^{\infty} \frac{f_n(x)}{n!}$, where $f_n(x)$ is a function of the n -th order of the Taylor series of $f(x)$ at the point x . MR. LOPEZ

On March 8 the contest for the title Mr Lopez 1978-1979 was held. The contest was sponsored by the Senior Class. Each of the contestants had to perform his talents and have interviews with the judges. The contestants were escorted by Miss Lopez and her court. All in all the contest was, a big success, and this year's Mr. Lopez is the first that Father Lopez has had in two years.

MINI-HOMECOMING

The second annual Mini Homecoming took place on Feb. 13. The National Honor Society put these special events together. The day started off with a pep rally put on by the cheerleaders and a special performance by the seniors. The King, Queen and their court were chosen from the basketball teams and the cheerleaders. The float competition was unique and a great time was truly experienced.

SADIE HAWKINS

It was the girl's turn to ask the guys and on March 3rd all the Daisy Maes picked up the Lil Abners for a night out. The dance, sponsored by the Pep Club was a genuine, good time. Marryin' Sam, the jail house, and the country music all helped make Sadie Hawkins a fun time for everyone.

FRIENDS AND LOVERS

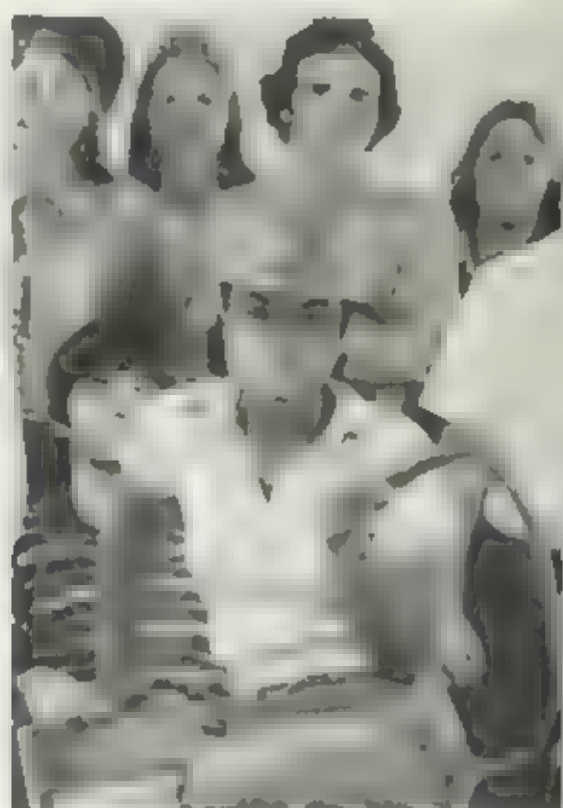

You know how to be a friend to be counted on, and to trust to share good times and not-so-good times

You know how to give and take . . . to lend a hand
to be thoughtful and kind, and to always be there

You know how to always be a very special part of my life

GRUB DAYS

Once a month, for 25¢ the student body at Lopez has the chance to wear civilian clothes

Grub Day is the name given to this special occasion. The donations are collected by one of the many organizations at the school and used for the groups financial needs. Many times the grub days will have certain themes such as Western, 50's, and Spirit Day

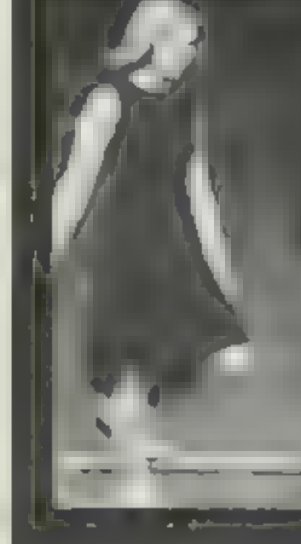

DRESS UP DAYS

Dress-up days come only once a month. That day is known well by all the students as the first Tuesday of the month. This is a day that gives each student a chance to express him or herself. Students will come in an array of colors and styles. Although it is a special day, everyone is glad to get back to the routine.

FIFTIES DAY

What a day! The maze (green) was the highlight of the day. The other kids from the house (only some) and some seniors joined back by the author, parents and chairs. The cheerleaders put on a play, very slick and to the theme of "Grease" making it a happy day that was enjoyed by all.

PEP RALLIES

Pep rallies this year were a great way of perking up spirit and letting off steam. Many new and different things were expressed at pep rallies. Among the variety of skits and games were, "Grease", "Fish eating", the old west, the boys cheerleaders, and a summary of all these in memory lane. Great times were experienced and those "happy days" will long be remembered by all.

FUNDRAISING

Bakesales, candy sales, car washes, grub days, and magazine drives are some of the many ways money is made to support various clubs around school. This year the major fundraising drive was sponsored by the School Board to supply Lopez with a badly needed extension to the library.

LIFE AT LOPEZ

The typical school day at Lopez consists of a great variety of activities. Whether they be masses pep rallies, field trips, or even studying, there's always enough activities going on. Just walking to class can prove entertaining to the observant Lopez student. Someone always exists in the crowd to create laughter and smiles, making Lopez the school it is.

under the supervision of the supervising teacher, a make-up test may be given after school. A school has as much activity as the working hours.

Even after hours, students gather to be with one another and to have a good time. Field trips are just another means for students to get together. Then there are the more popular weekends consisting of partying and beaching it. No matter what the activity, one factor always prevails: the unity and happiness shared among Lopez friends.

INTRAMURALS

Keeping in shape and having fun are what intramurals are all about. This year's sports included basketball, bowling and volleyball. Students who weren't on varsity teams were given the chance to show their stuff and to participate in friendly rivalries. Tough competition between well balanced teams provided excitement and enthusiasm for all participants and fans.

SPRING FEVER

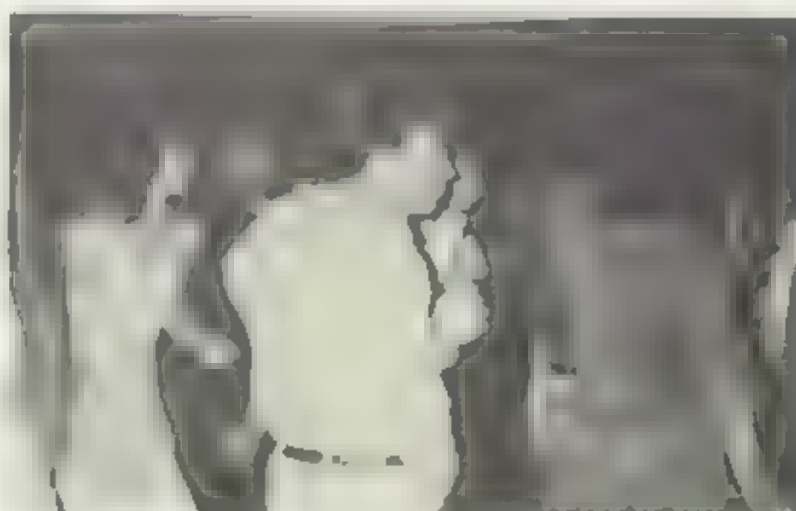

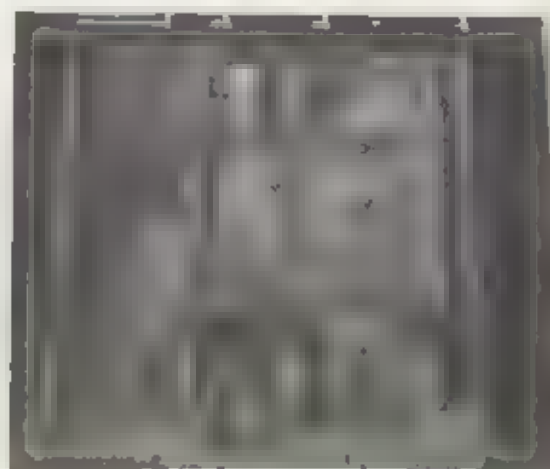

RING BLESSING

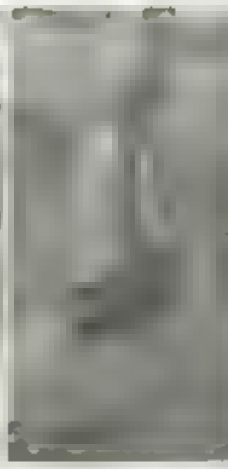

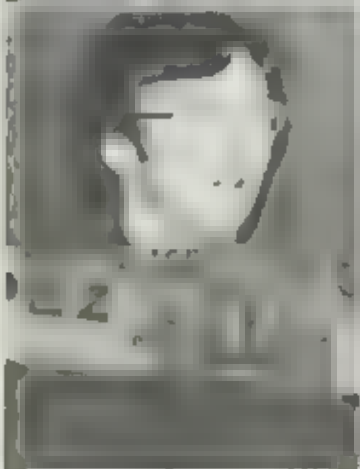

The traditional ceremony of senior ring blessing took place at Prince of Peace Church. Father Lopez's pastor, Father Hogan presided over the ceremony. The day was filled with both sadness and joy, which created unity among the senior class of 1979. Following the mass, there was a buffet luncheon at Tomoka Oaks Country Club. The event will be a memorable one for all the members of the class of '79.

PROM '79

Prom was held on April 7 at the Americano Beach Motel. Everyone danced the night away to the sounds of "Fusion". Prom's theme, "The Grand Illusion" was a big success. Sponsored by Mrs. Klayer, the Junior Class did many fundraising activities. The prom committee worked hard and consisted of Leslie Krawczynski, Donna Fulton, and Wes Dunn and various other juniors. With everyone's help it was a big success.

With the yelling and cheering coming from the sideline, the freshmen boys were sure to win. Under the sponsorship of Sr. MaryAnn and the leadership of their captain, Terry Wymes, the freshmen cheerleaders was one squad all of Lopez can be proud of.

VOLLEYBALL

Spike it! Those two words could be heard often around the gym when the girls volleyball team took the court! This year the volleyball team had a very demanding schedule and was able to tie Pierson Taylor for the title of Co-champions of the tri-county-conference. Under the leadership of Coach Mary Ann Tidmarsh and Captain Becky White, the girls played very well. Although they lost the district title to Pierson Taylor, Mrs. Tidmarsh believes they had a very good year.

Once again Father Lopez had a golf team they could be proud of. This year's team was changed in many ways from teams of the past. First year coach, Cathy Boyle, symbolized the relative youth of our team, which had a majority of freshmen and sophomores. The team, however, was anchored by seniors Tom Mitchell, Kevin Nelson, and Mike Simmons, and juniors Keith Kulzer and Mark Mathews. With this combination of youth and experience, the Greenies had more than their share of victories against larger schools.

GIRLS' TENNIS

Members: Karen Myster, Lisa Allen, Mary Kay Nall, and the Lopez Girls Tennis Team

The girls' tennis team was coached by Mr. Robert Barringer this year. As compared to other years, the team was up against many tough opponents and schools much larger than Lopez. In spite of this, their hard efforts shown through and this year's tennis team had a successful year. Tennis has become an extremely popular sport and the number of members has increased this year.

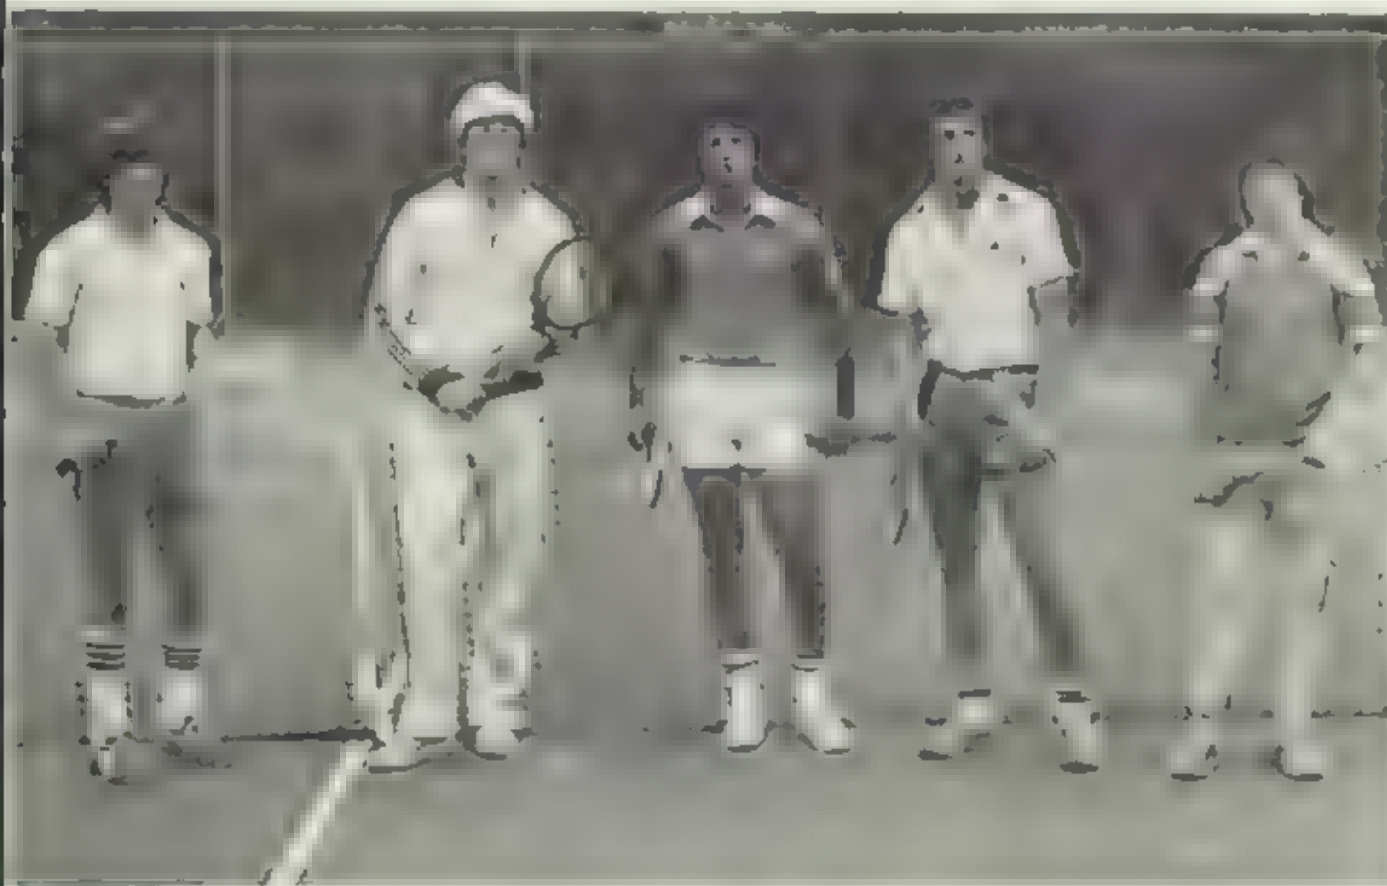

BOYS' TENNIS

This year's boys' tennis team started off with a new and enthusiastic coach in Mr. Robert Barringer. The team consisted of only one senior, Robbie Newsom, who did an excellent job. The young team was aggressive and very talented. Under Coach Barringer's watchful eye, the boys concluded their season very successfully.

BASEBALL

Once again the baseball diamond at Lopez was filled with the sounds of bats cracking and runners sliding as the Greenwaves' baseball team took the field. Led by senior captains Kevin Amara and Joe Manchisi, the Wave fielded a steady team through a very tough schedule. Coach Jim Gardinier was at the helm from the practices in January until the end of the season. The long practices and hard work was well worth the effort.

Cross Country is a sport of great endurance and determination. This year, 1978-79, marked the first season for a team to exist at Father Lopez. The interest was high at the start for many students but only a few very determined people met the final District Meet. The four successful people Joe Spear and Tim Fortier, and Mo McGrane and Beth Brookfield did an excellent job. Although they couldn't be classified as a "team" due to being small in number, Mrs. Wentz was very proud to have been their coach.

Bigbird, (Colleen)
 last year I wrote that
 we would help each other in chemistry.
 Well, it turned out that way didn't it?
 Chemistry turned out to be a lot harder
 than I thought, don't you think so? We've
 done a lot of churning for exams and just barely
 passing the tests. I think you're lucky to be leaving.
 on a test was 39. In a way you're lucky to be leaving.
 As you think of all the good times we've had for us.
 to River Country, going to the beach, your "surprise" party, and of course
 chemistry lab. You've been a good friend, I couldn't ask you to do better.
 Thank for listening to all my problems. I know I bore you to death.
 Don't think that since you're going to Seabreeze you can forget us. Our
 'lunch group' will never be the same without you. I said not to forget the
 River Country, what I meant was the swim team picnic when you made your
 first attempt at skiing. I hope you swim next year, then you can compete
 at luck at Seabreeze. I hope you swim next year, then you can compete
 against me at the Seabreeze event. How dare I like the
 swim the 200 yd. event. I'd like to like the
 my autograph! I'd like to like the
 practically living at your house and
 eating you out of house and home.
 the food and hospitality is too
 right. Always stay the same and
 you are a very special person. I'm
 you. Don't lose my number 253-3800
 P.S. I tried to take up the whole page
 but I think I wrote too small.
 Besides I don't want to take up too much room
 in else you won't have any space left for everyone
 else to sign. I'm not writing a book!

Colleen,
 You're a super-sweet
 girl. Stay that way
 and people will like
 you. Good luck in
 swimming!

 remembered you from the year
 before when you used to play
 basketball for Sound. Have a nice
 summer
 Cathy

Colleen,
 This year
 has really
 been fun having
 you in some of
 my classes. We
 had a lot of fun
 in gym and
 we will have even
 more next year.
 Take care
